

VLTA Lobby Day â?? TODAY!

Description

On January 24, 2019 the VLTA will be holding our annual Lobby Day.

VLTA Lobby Day connects the Virginia title insurance community with their Virginia legislators. Representatives enjoy speaking with their constituents on whom they can rely for information on proposed legislation. When you register with your home address, we identify participantsâ?? Senators and Delegates, and set up 10-15 minute appointments to discuss relevant issues with those representatives. Worried you donâ??t have the chops to participate? We will equip you with talking points at our briefing breakfast before you embark on your appointments. Members of all backgrounds and experience levels are encouraged to participate.

The day will kick off **7:30 am** at the offices of the Commonwealth Strategy Group, located at 118 North 8th Street, Richmond, VA 23129. Our Lobbyist, James Pickral, will be there to brief you on what to expect and prepare you for your meetings. In addition, we will provide you with a continental breakfast. Delegate Marcus Simon will also be on hand to address the group and take our questions. At approximately 8:30 am, the group will head over to the Hill and begin our meetings. Your representatives will be excited to meet with you to learn about what you do and how they can be of service. At 11 am, once our meetings have concluded, we will reconvene at the Gallery for an industry presentation to the assembled representatives.
