VLTA 2025-2027 Strategic Plan

We are excited to announce the launch of a new strategic framework for the Virginia Land Title Association (VLTA), designed to guide our association over the next three years. This framework is the result of thoughtful collaboration, extensive feedback from our members, and a shared vision to enhance the role and impact of VLTA in the title industry. Focused on innovation, education, and advocacy, the framework sets clear goals to support professional development, advance industry standards, and strengthen our communityâ??s voice in legislative affairs. As we embark on this journey together, we invite all members to join us in building a future where VLTA leads with integrity, expertise, and a commitment to excellence. This strategic direction reaffirms our dedication to empowering our members and ensuring a thriving, dynamic title industry in Virginia.
