Homemade & Homegrown Goods

- Canned goods (jams, jellies, pickles, sauces)*
- Baked goods (where permitted)*
- Spice blends, rubs, or tea mixes
- Honey, beeswax candles, or soaps

Food items must follow all applicable safety and packaging guidelines (see Parameters below).

Experiences, Time & Services

- Personal coaching or mentoring session
- Professional services (consulting, design, photography, writing, resume review)

Think of it as an Artisan Hall or â??Membersâ?? Marketâ?•; where craftsmanship, storytelling, and connection come together. Each silent auction item will be accompanied by a short blurb or bio from the donor, allowing bidders to learn not just about the item, but about the person behind it.

Weâ??re aiming to collect **FIVE** member-donated items per month leading up to the Convention, and weâ??d love for you to be one of them!
